

Return to Work Training Attestation-Human Subjects Research
Approved May 14, 2020

By submitting the certification of completion for this training module to my school/college/unit, I acknowledge and agree to the following as a condition of my return to in-person work:

- I have read and understand all of the guidelines for returning to in-person work in a limited capacity.
- I will follow and comply with the guidelines for returning to in-person work once I am allowed to return to in-person work by my school/college/unit, which determination will be made in the context of evolving CDC and State of Michigan guidelines, regulations, and orders.
- Once I am allowed to return to in-person work, I agree to only be present in-person in the research space to conduct work or interact with human research participants that cannot be done remotely. I further understand that all work, including routine or other office work, that does not require physical access to the equipment in the research space or direct interaction with human research participants must continue to be done remotely.
- If I am found not to be complying with the guidelines for returning to in-person work, which include the agreements made in this certification, my authorization to perform in-person work may be revoked.
- I agree that if I test positive or have symptoms for COVID-19, I will notify Occupational Health Services Hotline. (734-764-8021) immediately.
- I agree that if I test positive for or have symptoms of COVID-19, I will not report to the workplace and will notify my supervisor of my absence.
- I agree that I will cooperate with and participate in any contact tracing process used by U-M or my school/college/unit if requested.
